CLUB ON THE CUSP OF SUCCESS

Our Division 2B league campaign ends on Thursday 22nd with a trip to Skryne. A win would guarantee the club promotion and a place in a league final for the first time since 2014.

Our Division 5 premier championship campaign concludes on Sunday 18th with the visit of Ballinlough to Sean Newman Park. Much like our first team, a win would guarantee the club a place in the championship semi-final.

WORK BEGINS IN COOGAN PARK MARTRY

The redevelopment of Coogan Park Martry has begun. The work will see a new pitch and training area developed. The aim is to have the pitch up and running by late 2024.

There'll be a huge fundraising effort made in the coming weeks, details of which will be announced at a later date.

The removal of poles and fencing began Saturday 3rd of June.
